

## **MEDICAL PROVIDERS IN CUSCO**

Updated: October 2023

The list does not represent a guarantee or an endorsement by the Department of State or the U.S. Embassy. Cusco may have other qualified health-care providers, but space does not allow us to include all of them in this list.

It is also important to understand that it is required to pay for the medical attention received prior to leaving the hospital. A patient will not be discharged from the medical facility until he/she has paid all medical bills incurred during treatment.
